**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I fully support broadband competition. It is vitally important that local providers are able to continue building fiber networks.

Capitulating to big telecommunications companies will only cost the consumer in the long run, in terms of increased internet and phone costs.

Please think about the consumer and keep broadband competition alive,

Randall Reimer
